EXTERIOR

Thorough Wash and Dry

Hand washed using only premium soap and extra soft, premium wash mitt then dried with 100% synthetic chamois.

Bug and Light Tar Removal

Clean all affected areas of the vehicle using a safe, all-purpose cleaner.

Wheels, Wheel Wells and Tires

Wheels are deep cleaned in and out using a top of the line wheel cleaner specialized for your vehicle. Wheel wells and tires are cleaned with an all-purpose cleaner and wiped spotless.

Exhaust Tips Cleaned

Cleaned and Polished.

Ultra Fine Clay Pad

This process removes contaminants, leaving your car's clear coat with a smooth feel.

INTERIOR

Vacuum and Compressed Air

Vacuum floor and floor mats then use compressed air to remove dust from dash.

Clean Dash and Cup Holder Area

Lightly clean dash and cup holder area with a pH neutral all-purpose cleaner.

Clean All Windows and Mirrors

Clean all glass areas with a streak free finish.
